Fire Station 5 and Training Tower Opens

The Georgetown Fire Department opened the city's fifth fire station and an adjacent training facility in October. Fire Station 5 at 3600 D.B. Wood Road houses an engine company and a ladder truck company. The new station includes three truck bays, administration offices, dorms and offices for fire operations staff, a kitchen, common room, and a weight training room. Fire Station 5 will help with the geographic coverage of the City and Emergency Services District and will enable shorter response times in the north-

west part of the city.

The new facility complex also includes a small one-story training

building and a four-story training tower and burn building for live-fire training and technical rescue instruction.

Randy Stump Named Top Municipal Judge in Texas

Municipal Court Judge Randy Stump was named

Outstanding Jurist by the Texas Municipal Courts Association at their annual meeting this year. Judge Stump was recognized for his "outstanding contribution to the fair and impartial administration of justice" by a committee of his professional peers in the association.

The award for Judge Stump is notable since there are more than 1,400 municipal judges in Texas. Judge Stump has served as the

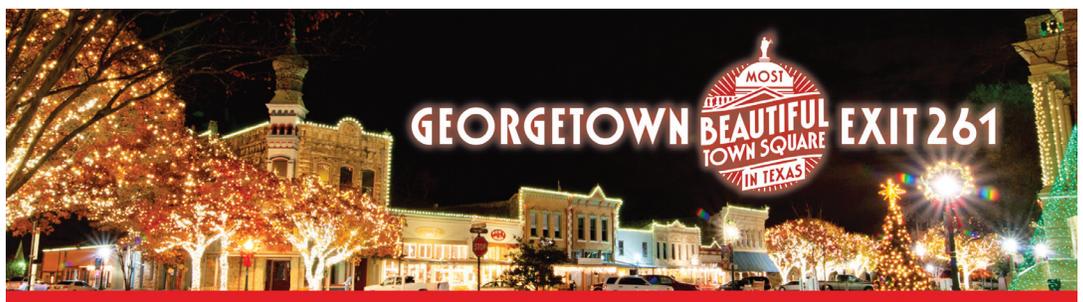

municipal court judge for the City of Georgetown since 1999.

In addition to his duties as municipal court judge, Stump also serves as judge for Georgetown's Teen Court program, which won the spotlight

award as the best teen court program in the state in 2008 and 2010.

According to the association, "Judge Stump is recognized not only as a role model for youth before his court, but also to judges and court

support personnel observing his work. He is a reminder of the value of firm, yet enthusiastic, leadership from the bench."
